Hello Brian:

I did talk with John this morning and I have to chase down a couple of actions at his request. I plan to get back to you this afternoon, after reporting to USACE and EPA.

Best regards, Len

Good Morning Len,

I wanted to follow up after our call yesterday. Were you able to speak to John Kern this morning? Please let us know when you anticipate we can have a call in order to make a final decision on the vibracore approach.

Thanks
